## A MIX OF ONLINE AND CLASSROOM TEACHING

Most of our students for the **Hypnotherapy Practitioner Diploma Course** (HPD) are fitting their studies into a family and work routine.

**ATTEND CLASSROOM TUITION**  
Our most popular is our 10 month Hypnotherapy Diploma course held in Bournemouth

Also we have had an Intensive Hypnotherapy Diploma course - which is also classroom based run over two separate 9 day blocks.

**ONLINE COURSE**  
For those unable to travel or prefer to study from the comfort of their own home we have developed our distance learning online course. This leads to

identical Hypnotherapy Practitioner Diploma qualifications and accreditation
