
Hypnotherapy Diploma Course

Special Easy Payments Plan

Adam Eason School Of Hypnotherapy -
Bournemouth - 25 April 2014

We know from talking and writing to people on our mailing list that there are many of you who would love a new career and train as a hypnotherapist. It is thoroughly rewarding career helping others:

In January 2009, Men's Health magazine states that being a hypnotherapist is one of the top ten best jobs in the UK today.

Here is a quote from the magazine:

"According to direct.gov.uk, the government careers advice service, the demand for hypnotherapists is rising, due to an increase in referrals by GPs. You get to explore clients' minds, helping them overcome psychological and physical conditions (and occasionally make them stand on one leg and bark like a dog...) A series of workshops and assignments will get you recognised by the National Council for Hypnotherapy - and you can charge an hourly rate between £40 and £250.

The Clincher: Peace, quiet, security and no boss - a way to grow rich chilling out."

Now of course to train for this diploma qualification there is an investment to be made and we have heard time and time again - *'I would love to do this course but ...'*

and the 'but' is always related to the payments and whether we could possibly make an easy payments plan.

So! - this is a market test for us and I had to twist Adam's arm to let me try this out :-)

This is the deal BUT for ONE WEEK ONLY - this option ends next FRIDAY 2nd May.

You will see in the prospectus the total price including VAT if paid in one payment is £2760.40 and with this easy payment plan you pay almost the same. Hope that helps you if you are keen to train for a great new professional career.

The payment plans on offer, are as follows:

Easy Payments Plan - Course Later This Year	
10 Month Diploma Course - Beginning October 2014	
£500	Non Refundable Deposit to be paid by 2nd May followed by:-
